### **Yandex Announces Death of Co-Founder and CTO Ilya Segalovich**

Moscow and The Hague, July 25, 2013. Yandex (NASDAQ:YNDX) today announced with great sadness the sudden death of Co-Founder and Chief Technology Officer Ilya Segalovich.

CEO Arkady Volozh commented, “Ilya was a lifelong friend and this is a terrible loss for me personally and for all of us at Yandex. Ilya’s contributions to the founding and development of Yandex were invaluable. Beyond his role at the company, his philanthropic contributions touched many children in need. My thoughts and those of all of the Yandex family are with Ilya’s family at this difficult time. We know that the strong technical team Ilya helped to build will carry on the work Ilya cared so passionately about. Ilya had an encyclopedic knowledge of technology, and his highest ethical standards have always set the benchmark for us all.”

Mr. Segalovich had been responding well to cancer treatment before unexpectedly succumbing to complications early this morning.

Ilya Segalovich co-founded Yandex more than 20 years ago, serving as its CTO and an executive director since 2000. He also co-founded and supported Maria’s Children Art Rehabilitation Center for orphans and children with special needs.
